

STANDING GUIDE TO COMMISSIONING LOCAL AUTHORITY WORK & SERVICES

on CD rom - eighth edition

SETTING THE SCENE

PART 01 - THE REGULATORY REGIME

Discrimination on the grounds of nationality

Abuse of a dominant position

Intervention

Non-commercial considerations

SUSTAINABILITY

BEST VALUE

Wales performance improvement

COMMUNITY STRATEGIES AND COMMUNITY PLANNING

MONITORING

ANNEX A – Do the EU procurement directives apply?

Why does it matter ?

The key questions

The main effect of the directives

Terminology

Bodies subject to the Public Contracts Directive

Services, works and supplies

Thresholds

Contracts covering mixes of services, supplies and works

Review of the thresholds

Part B services

The Utilities Directive

Concessions contracts

Design contests

Notices placed by agents

STRATEGIC COMMISSIONING

PART 02 - CORPORATE COMMISSIONING STRATEGIES

The different roles of strategies

The contents of corporate commissioning strategies

Wider corporate objectives

Standardisation

Allocating responsibility

PART 03 – USING THE THIRD SECTOR

WHAT THE THIRD SECTOR IS

HOW IT CAN HELP AUTHORITIES

HOW AUTHORITIES CAN HELP THIRD SECTOR BODIES

HELPING THEM TO COMPETE FOR AUTHORITIES' WORK

WIDENING THE MARKET

Welcoming any approaches

Advertising

Publicity about contracts generally

Advice and training about how to do business with the authority

Information sent to respondents to advertisements

Setting up new third sector bodies

Filling gaps in specialisms

Lotting

Debriefing

BUILDING A DIFFERENT MARKET

Packaging small

Contract conditions, specifications and tenderer selection criteria which bring out third sector strengths

Off-putting contract conditions and specifications

Pricing mechanisms

Time limits

Reality checks on tenders

Contract management

TUPE liabilities

Registering for VAT

HELPING THEM TO FIND OTHER WORK

Opportunities for subcontracting

Advice and training about how to do business

PART 04 – USING SMALL BUSINESSES

What they are

What they can do to help local authorities

Encouraging small businesses to compete

Welcoming any approaches

Advertising

General publicity about contracts

Advice and training about how to do business with the authority

Getting the packaging right

Contract conditions, specifications and tenderer selection criteria which bring out small business strengths

Off-putting contract conditions and specifications

Pricing mechanisms

Time limits

Information sent to respondents to advertisements

Debriefing

Contract management

Dispensing with competition altogether

Encouraging subcontracting

Advice and training about how to compete

Business premises

PART 05 - PURSUING ECONOMIC, SOCIAL & ENVIRONMENTAL OBJECTIVES IN COMMISSIONING

The scope of wellbeing powers

Constraints in EU law on pursuing social & environmental objectives

RESTRICTION TO THE SUBJECT MATTER OF THE CONTRACT

Exceptions to the rule

Inputs which help to define the output

Inputs which serve also as information in tenderer selection or tender evaluation

Inputs taken into account in evaluating variants

Express exemptions

RESTRICTION TO THE CORE PURPOSES OF THE AUTHORITY

THE SOCIAL RETURN ON INVESTMENT

THE PURSUIT OF ECONOMIC OBJECTIVES IN PROCUREMENT

PART 06 – THE COMMISSIONING PROCESS

Decisions

Making a clean start

Common reasons for contracting out

Bad reasons for contracting out

keeping the service on an even keel

Competitive market testing

Evidence

Making the most of current contractors

Making the most of in-house teams

The subject matter of the commissioning

Accountability

- ANNEX A – Exploring the market
- ANNEX B – Tests of competitiveness
 - The main tests available
 - Segmental competition
 - Benchmarking
 - Standard models
 - Take-up by service users
 - Simulated competition

PART 07 - DEALING WITH UNCERTAINTY IN CONTRACTING

- The survival of both parties for the full contract period
- External changes to the service during the contract period
- How much work the contractor will have to do to deliver the specified work
- The best to deliver an agreed outcome
- How much work clients will *need* to order
- How much work clients will *choose* to order
- Extending the contract to additional services
- Extending the use of a framework *agreement* to additional client bodies
- Extending the use of a *contract* to additional client bodies
- Tendering by contractors for similar work *for other clients*

PART 08 - THE PRIVATE FINANCE INITIATIVE

- What it is
- Treasury approval
- Essentials
- Risk allocation
- Contract periods
- Contract vehicles
- Competition
- Contract documents
- TUPE
- Value for money and affordability
- Financing and re-financing
- Soft services
- Approval
- Local authorities in England
- Exchequer support
- Getting approval
- Arrangements for different sectors within local government
- Going ahead
- Local government in Scotland
- Local government in Wales

ANNEX A - Building Schools for the Future

- Projects
- The client side
- The contractor side
- Designs and contract documents
- Strategic partnering agreements
- Types of contracts
- Follow on contracts

ANNEX B - The NHS Lift

- The client side
- Advertising
- The contractor
- Contracts
- Leases
- Funding

PART 09 - COST BENEFIT ANALYSIS

- Expression in the same terms

Costs
Benefits
Pricing the benefits

PART 10 - CONTRACT SIZE & PERIODS

CONTRACT SIZE

The special advantages of some big contracts
Common disadvantages of big contracts
IT contracts
The advantages of service sharing
The disadvantages of service sharing
Relying on lotting

CONTRACT PERIODS

The trend towards longer periods
The advantages
The disadvantages for authorities
The scope for renegotiation

PART 11 - RISK ALLOCATION

Risk allocation between client and contractor
Risks which neither party can manage
Bonding
The incidence of TUPE costs
Risks with high levels of occurrence but low maximum cost
Incentives to manage risks

TYPES OF CONTRACTS & CONTRACT DOCUMENTS

PART 12 – THE MAIN TYPES OF CONTRACTS

The main payment mechanisms
Partnering contracts
Spot contracts
Block contracts
Bills of quantities
Methods for pricing variations in quantities and mix
Cash incentives
Cash flow
Effecting charges and credits for clients' assets and support services

PART 13 – SPECIFICATIONS AND CONTRACT CONDITIONS

Key objectives
Specifications
Housing management
Contracts for deregulated work
Construction contracts
Works concessions
Checklist of contract conditions
Model project pact for construction contracts

PART 14 – METHOD STATEMENTS

Their purposes
In tenderer selection, to test professional and technical capacity
In tender evaluation, to test appreciation of the scope of the contract
In tender evaluation, to illustrate the quality levels offered
In post-tender negotiations, to clear up errors and ambiguities
Pre-contract, to confirm outstanding points of administration
Post-contract, to renegotiate contracts to mutual advantage
Minimising the documentation
Contractual status

Interpreting method statements
Validating method statements

PART 15 - THE OFFER OF ASSETS & SUPPORT SERVICES

Service security
Making the best long term use of assets
Assets as stakes
Cost neutrality
Avoiding state aid

PART 16 - COMPETITION WHEN THE EU DIRECTIVES DO NOT APPLY

PART 18 - COMPETITION USING THE OPEN PROCEDURE

PART 19 - COMPETITION USING THE RESTRICTED PROCEDURE

PART 20 - COMPETITION USING THE NEGOTIATED PROCEDURE

PART 21 - COMPETITION USING THE COMPETITIVE DIALOGUE PROCEDURE

with contents as follows

Coverage
Terminology
Arrangement of the contents

ADVERTISING

Whether and how to advertise
Notices in OJEU
The contents of OJEU notices
The European Common Market
Getting the best response to advertisements
Additional publicity
Time limits

SELECTING TENDERERS

The roles for which participants are selected
Selection panels
How many tenderers to aim for
The main factors
Eligibility
Information
Financial standing
Ability
Testing the information
Who to check out ?
Numbers selected
How high to set minimum and maximum numbers of tenderers
Approved and standing lists
Notifying unsuccessful applicants
Competition for work recoverable in service charges to and leaseholders

CONDUCTING THE DIALOGUE

The stages
The cost of the procedure

INVITING TENDERS

Information for tenderers
The offer of assets
Errors
TUPE
Information sought from tenderers
Time limits
Electronic tendering

EVALUATING TENDERS

The management of tender evaluation
The negotiations
Early rejection
Exclusive or simultaneous negotiations ?
The two main bases of evaluation

- Contract costs
- Non-contract costs
- Securing a common price basis
- Quality
- Balancing price against quality
- Quality-only competition
- Negotiations
- The standstill period
- Notifying the unsuccessful tenderers
- Abandoning the competition

PART 17 - CHOOSING BETWEEN THE PROCEDURES & PROCESSES

- The open procedure
- The restricted procedure
- Negotiations with notice
- Negotiations without notice
- The competitive dialogue procedure
- Framework agreements
- Electronic auctions
- Dynamic procurement
- Design contests

PART 22 - NEGOTIATIONS WITHOUT NOTICE

PART 23 – UTILITIES

- Differences between the Utilities Directive and the Public Contracts Directive
- Terminology
- Differences common to all procedures and processes (except the competitive dialogue procedure)
- The open procedure
- The restricted procedure
- The negotiated procedure
- Negotiations without notice
- The competitive dialogue procedure
- Framework agreements
- Design competitions

PART 24 - SUPPLY CHAIN MANAGEMENT

- What it is
- Partnership sourcing
- Coordinating inputs for major programmes
- Packaging
- Types of contracts
- Contract periods
- Alliances
- ANNEX A - FUSION 21
 - Its role & constitution
 - The Partnership Division
 - The Skills Division

PART 25 - FRAMEWORK AGREEMENTS

- What they are
- WHAT TYPES OF CONTRACT MAY BE AWARDED
 - The information which contract notices for framework agreements must contain
- USING FRAMEWORK AGREEMENTS MADE BY OTHER BODIES
 - Framework agreements made by central purchasing bodies
 - Catalogues which qualify as framework agreements
- SELECTING CONTRACTORS
 - Selecting contractors to carry out contracts under single-contractor framework agreements
 - Selecting contractors to carry out contracts under multi-contractor framework agreements
- HOW MUCH WORK NOTICES COVER

Do contracts ordered under framework agreements count towards thresholds for other types of work ?

NOTICES TO UNSUCCESSFUL APPLICANTS
FRAMEWORK CONTRACTS

PART 26 – E-PROCUREMENT AND E-AUCTIONS

E-ordering
Responsibility for notices
Which country's law applies
Where proceedings are taken
When e-contracts become binding
Statutory requirements for agreements to be in writing
The status of e-signatures
Electronic auctions
Electronic price comparisons

PART 27 – DYNAMIC PURCHASING SYSTEMS

Competition
The standstill period
Debriefing unsuccessful applicants

PART 28 – DESIGN CONTESTS

Advertising
Tender evaluation

PART 29 - REQUIREMENTS COMMON TO ALL THE PROCEDURES

The contents of contract notices
Ineligibility
Financial standing
Technical ability
REMEDIES AND THE STANDSTILL PERIOD
The standstill period
Actions for breach
Remedies if no contract has yet been awarded
Remedies if a contract has been awarded
Declarations of ineffectiveness
The scope of the standstill period and remedies

PART 30 – THE USE OF BROKERS

The different roles of brokers
Paying for brokerage
The different types of contract which can be brokered
The different types of economic operator which brokers may be able to attract
Internal or external brokers?

CONSTRAINTS ON ARRANGING COMPETITION

PART 31 – FREEDOM OF INFORMATION ABOUT COMMISSIONING

THE SCOPE OF THE ACTS
THE EXEMPTIONS
THE EFFECT ON COMMISSIONING WORK AND SERVICES
The information contained in tenders
The contents of contracts and contract documents
Tender evaluation and negotiations
Contracts in progress
Legal advice
VOLUNTARY EXTENSION OF PUBLIC RIGHT TO INFORMATION
ANNEX - THE STATUTORY FRAMEWORK
THE SCOPE OF THE ACTS

- PUBLIC RIGHTS
- DATA PROTECTION
- ABSOLUTE EXEMPTION
 - Free and frank advice and the exchange of views, and the effective conduct of public affairs
 - Breach of confidence
 - Prohibition from disclosure
- QUALIFIED EXEMPTIONS
 - Legal professional privilege
 - Prejudice to commercial interests
 - Vexatious applications
- ACCESS TO INFORMATION UNDER THE LOCAL GOVERNMENT ACTS
- INSPECTIONS OF THE ACCOUNTS AND QUESTIONS FOR AUDITORS

PART 32 – CERTIFIED CONTRACTS

PART 33 – INTERVENTION

PART 34 – STATE AID

- The meaning of state aid
- Aid which does *not* count as state aid
- The exemptions

PART 35 - CONSULTATION FOR WORK RECOVERABLE IN SERVICE CHARGES TO TENANTS & LEASEHOLDERS

CONTRACT MANAGEMENT

PART 44 – GATEWAY REVIEWS

- Their general objective
- The procedure
- Documentation
- 4Ps and OGC risk analysis
- Guidance and training
- 4Ps and OGC workbooks

PART 45 – GETTING READY TO START

- Starting dates
- Designating the client officer
- Early briefing
- Completing the documentation
- Renegotiating terms
- Identifying contractors
- Signing contracts
- Award notices
- Records to be kept
- Making no award
- Re-tendering

PART 46 – Managing the contract

- Partnership working
- The client–contractor split
- Review meetings
- Quality control
- Cost control
- Time control
- Notice to contractors
- Defects, step-in, default and dispute resolution

PART 47 – KEEPING CONTRACTS UP TO DATE

Negotiation with contractors
Renegotiating prices
Extending contracts to cover new work
Errors found in contract documents

ALTERNATIVES TO MAKE OR BUY

PART 51 - DELEGATION BY AGREEMENT

How it works
The statutory provisions for delegation
Delegating out
Delegating in
The responsibilities of principals & agents
Reimbursing agents
Delegating to a lead authority
Delegating to a consortium
Contracting out
Contracting out delegated functions
Delegating procurement
The types of contract which procurement agents can arranged
Delegation agreements
Their form
Agreements for delegating services
Agreements for setting up consortia
Agreements for delegating procurement

PART 52 – UNILATERAL DELEGATION

Claimed functions
Directed delegation
Requisitioning
Schools

PART 53 – BUDGET DELEGATION TO SCHOOLS

The statutory requirements
The statutory powers
The effect of budget delegation
Commissioning the work of schools with delegated budgets

PART 55 - COLLABORATION

Statutory collaborative arrangements
Statutory powers and duties to collaborate
Arrangements for securing wellbeing
Acting jointly
Acting on behalf of others
Non-statutory arrangements to facilitate statutory budget pooling
Mutual assistance
NHS contracts
Non-statutory collaboration

PART 56 - BUDGET POOLING

Statutory authority for budget pools
Joint committee funding
Expenditure met from grants

PART 57 – SECONDMENT

Defining it
Powers

PART 58 – VOLUNTARY DECENTRALISATION

PART 59 – BUY-OUTS

PART 60 – JOINT SERVICES

Joint services to the public
Joint support services
Joint use of data

PART 61 – OTHER WORKING ARRANGEMENTS

Planning agreements
Highways agreements
Barter
Demarcation agreements
Business improvement districts

ALTERNATIVE VEHICLES

PART 62 – TOTAL PLACE

PART 63 – ADVISORY PARTNERSHIPS

Their proliferation
Qualifying for funding
Meeting their costs

PART 64 – EXECUTIVE PARTNERSHIPS

The main types
Non-statutory consortia
Local strategic partnerships
Community planning bodies

PART 65 - UNINCORPORATED ASSOCIATIONS

Their powers and functions
Their constitutions

PART 66 – PURPOSE-MADE CLIENTS

Empowering existing bodies
Creating new bodies

PART 67 – PURPOSE-MADE SERVICE PROVIDERS

Niche service providers
Specialist companies
Dedicated contractors

PART 68 - LOCAL STRATEGIC PARTNERSHIPS & AREA AGREEMENTS

The linked duties
Responsible authorities and partner authorities
Local strategic partnerships
Community strategies
Local area agreements
Multi-area agreements

PART 69 - COMMUNITY PLANNING PARTNERSHIPS

Community plans
Community planning partnerships
Their constitutions
Consolidation with other partnerships

PART 70 - COMMUNITY STRATEGY PARTNERSHIPS, LOCAL STRATEGIC PARTNERSHIPS AND LOCAL SERVICE BOARDS

Legislation and guidance
community strategy partnerships
Their role
Timing
The partners
Their constitutions
Consolidation
Local service boards
Setting them up
Their role
Their partners
Their constitutions
Consolidation

PART 71 – ARM’S-LENGTH MANAGEMENT ORGANISATIONS

What they are
Their status
Their liability for VAT
What they do
Setting them up
Their constitutions
Their procurement
Their staffing

PART 72 – LOCAL HOUSING COMPANIES & LOCAL HOUSING PARTNERSHIPS

The statutory basis
Setting up a CLG
Setting up a community benefit society
Local development companies
Local development partnerships
Procurement by LHCs & LHPs
Audit

PART 73 – TENANT MANAGEMENT ORGANISATIONS & CO-OPERATIVES

PART 74 - JOINT COMMITTEES

What they are
Their powers
Their contracts
Their land
Their staff
Their organisational structures
The functions which can be delegated to them
Cost recovery
Regulatory regimes

PART 76 - COMPANIES LIMITED BY SHARES

What they are
Their objects and constitutions
Who can hold shares
Classes of shares
Other ways of raising capital
Company directors
Their staffing
Personal indemnities and insurance
Which LA functions can be delegated to them
Their access to partnership funding
Their access to local authorities' financial assistance
Their access to voluntary status
Their contracts

Their regulation and governance

PART 77 - COMPANIES LIMITED BY GUARANTEE

What they are
Their objects and constitutions
Who can join
Their directors
Their staffing
Personal indemnities and insurance
Which LA functions can be delegated to them
Their finances
Their access to partnership funding
Their access to local authorities financial assistance
Their borrowing
Whether they can obtain charitable status
Their contracts
Their regulation and governance

PART 78 – COMMUNITY INTEREST COMPANIES

What they are
The asset lock
The interest and dividend caps
Who can become a member or shareholder
Their functions and activities
Which local authority functions can be delegated to them
Their liability to income tax, corporation tax, VAT and NNDR
Whether they can obtain charitable status
Their contracts

PART 79 - COMMUNITY BENEFIT SOCIETIES

What they are
Their objects and constitutions
Who can join
Their staffing
Which LA functions can be delegated to them
Their finances
Their liability to income tax, corporation tax, VAT and NNDR
Their access to local authorities financial assistance
Their access to partnership funding
Their borrowing
Whether they can obtain charitable status
Their contracts
Their regulation and governance

PART 80 - COOPERATIVE SOCIETIES

What they are
Their objects and constitutions
Who can join
Their staffing
Which LA functions can be delegated to them
Their finances
Their liability to income tax, corporation tax, VAT and NNDR
Their access to local authorities financial assistance
Their access to partnership funding
Their borrowing
Whether they can obtain charitable status
Their contracts
Their regulation and governance

PART 81 - LIMITED LIABILITY PARTNERSHIPS

- What they are
- Their constitutions
- Partnership agreements
- What they do
- Their financing
- Their liability to income tax, corporation tax, VAT and NNDR
- Their staffing
- Their contracts
- Their regulation

PART 82 - TRUSTEES

- The terminology
- The mechanism
- Trusts as vehicles
- Their constitutions
- Who can become trustees
- Constraints on organisational structures
- Restrictions on functions and activities
- Which local authority functions can be delegated to trusts
- How trusts recover their costs and distribute their surpluses
- Regulatory regimes
- Access to partnership funding
- Liability to income tax, corporation tax, VAT and NNDR
- Powers to make grants and loans to trusts, and lease assets to them at below market value
- Secondment, TUPE and pensions
- Contracts

PART 83 - JOINT VENTURES

- What they are
- Using companies limited by shares as vehicles for them
- Joint venture agreements
- Partners' contributions
- The contracts awarded by JVCs
- Conflicts of interests
- Using limited liability partnerships as vehicles for them

PART 84 – CHARITIES

- Coverage
- Terminology
- Charitable status
- The new definitions
- The regulation of charities
- Regulatory bodies
- Registration
- Loss of charitable status
- Dealings with charity trustees
- Charitable assets
- The advantages of charitable status
- Tax status
- NNDR
- Government funding
- Contracts
- ANNEX A - THE FORMER DEFINITION OF CHARITABLE PURPOSES
- ANNEX B - EXCERPTS FROM STATUTORY GUIDANCE TO THE MEANING OF PUBLIC BENEFIT
- ANNEX C - OSCR GUIDANCE TO HOW IT ASCERTAINS PUBLIC BENEFIT

PART 85 – LOCAL AUTHORITY COMPANIES, AND CONNECTED ENTITIES & TRUSTS

- LOCAL AUTHORITY COMPANIES
 - What they are
 - Regulation

- Control
- Influence
- Business relationship
- Association with the authority
- Dominant influence
- Directions as to operating and financial policies
- Control contracts
- Group accounts
- Statutory constraints on LACos
- CONNECTED ENTITIES AND TRUSTS**
- What they are
- Whether they matter
- Their status under other legislation

PART 86 - CHARITABLE INCORPORATED ORGANISATIONS IN ENGLAND & WALES

PART 87 – JOINT WASTE AUTHORITIES

- What they are
- Their powers
- Their contracts
- Their land
- Their staff
- The functions which can be delegated to them
- Their finances
- Access to partnership funding
- Liability to income tax, corporation tax, VAT and NNDR
- Regulatory regimes

PART 88 – CARE TRUSTS & CHILDREN’S TRUSTS

CARE TRUSTS

- What they are
- Setting them up
- Their powers
- Delegation by social services authorities to NHS bodies
- Delegation by NHS bodies to social services authorities

CHILDREN'S TRUSTS

PART 89 - VOLUNTARY BODIES

- Definitions
- Their common features
- Liability to NNDR, VAT, income tax, corporation tax and capital gains tax
- Financial assistance
- State aid

PART 90 - SOCIAL ENTERPRISES

- What they are
- What they do
- Their charitable status
- Exposure to restrictions on state aid

TRADING & CHARGING

PART 91 – INTERNAL TRADING

- Defining internal trading
- The status of their tenders and contracts
- The scope and form of trading accounts
- Treatment in the published accounts
- The treatment of charges to housing accounts
- Working with contractors
- Work by trading organisations for school governing bodies

PART 92 – EXTERNAL TRADING

- The terminology
- TRADING IN FUNCTION-RELATED ACTIVITIES UNDER THE LOCAL GOVERNMENT ACT 2003
 - The powers
 - Trading companies
 - Types of company
- TRADING UNDER OTHER POWERS
 - The Local Authorities (Goods & Services) Act 1970
 - The Local Government (Miscellaneous Provisions) Act 1976
 - The Water Act 1989
 - The Civic Restaurants Act 1947
 - The Greater London Authority Act 1999
- TRADING ACCOUNTS
- STATE AID
- SPARE CAPACITY AND CROSS-BOUNDARY TENDERING
- WORKING FOR CONTRACTORS
- STATUTORY REQUIREMENTS FOR CLIENT BODIES
- THE STATUS OF EXTOS' TENDERS
- ANNEX A - Public bodies for the purposes of the Goods & Services Act 1970
- ANNEX B - Factors to be considered in business cases and business plans

PART 93 - CHARGING FOR DISCRETIONARY SERVICES

- Terminology
- The scope of charging powers
- The authorities covered
- Differential charging
- Cost
- The position of contractors and lessees

MANAGING THE RESOURCES

PART 95 (COST)

- THE COST OF LOCAL GOVERNMENT SERVICES
 - Interest charges
 - Ad hoc analyses
- COST WHEN TRADING IN COMPETITION
 - Trading in function-related activities under the Local Government Act 2003 EW
- PUBLIC SECTOR COMPARATORS
- COST FOR THE PURPOSE OF RECOVERIES AND SALES
- COST COMPARISONS WITH OTHER BODIES
- COMPARING ELEMENTS OF COST
- WHOLE-LIFE COSTING
 - Occasions for whole-life costing
 - The transactions to be considered
 - The meaning of cost
 - Finding the most realistic basis for estimates
 - Finding a common price basis
 - Advice
- ANNEX A - ANTICIPATED LOSSES ON CONSTRUCTION CONTRACTS WITH OTHER BODIES
 - Example of calculation of the charge for anticipated future losses
- ANNEX B - PUTTING COSTS, ESTIMATES & FORECASTS ON A COMMON PRICE BASIS
 - One-off transactions soon
 - One-off transactions later, and liable to inflation
 - One-off transactions later, but at the same cost levels as now
 - One-off transactions, incurred earlier
 - Recurring transactions, starting soon and liable to inflation
 - Recurring transactions, starting later and liable to inflation
 - Recurring transactions, starting soon but not liable to inflation
 - Recurring transactions, starting later and not liable to inflation

- The shadow price of carbon
- Intermediate periods and rates
- The Treasury's Green Book
- ANNEX C - CHECKLIST OF COSTS FOR USE IN CHECKING THE REALISM OF TENDERS OR REIMBURSEMENT CLAIMS
- TYPES OF COST
 - Pay
 - Materials
 - Handling costs
 - Transport
- CONSULTANCY AND PROFESSIONAL ADVICE
 - Insurance
 - Use of assets other than buildings and transport
 - Working capital
 - Unallocated office & administration expenses
 - Other direct purchases not covered above
 - Records

PART 96 - TUPE

- Its origins
- Does TUPE Apply ?
- Is there a relevant transfer ?
- The treatment of non-TUPE transfers
- Which employees will transfer ?
- Do employees have to transfer ?
- What if clients and tenderers disagree ?
- The main requirements of TUPE
- Information for employees
- Information for tenderers
- Protecting jobs
- Additional protection in the UK
- The nature and legal status of the different extensions
- Protecting pensions
- Admission to the Local Government Pension Scheme
- Eliminating the two-tier workforce

PART 97 – VAT

- VAT terminology
- The VAT status of local authorities generally
- VAT and contracting out
- The VAT status of partnerships
- The VAT status of transactions between local authorities and partnerships
- The VAT status of registered social landlords
- The VAT status of subsidiaries
- Schools and VAT
