

## **Member Services provided by CIPFA Secretariat to the Branch**

The CIPFA Northern Ireland office provides a range of services for CIPFA members in Northern Ireland. These include:

- 'The Account' magazine, which is a newsletter produced three times per year containing articles of interest to people working in the public sector.
- CIPFA member's helpline, which CIPFA members can access for advice on financial issues.
- A series of lunchtime events, where leading speakers address current public sector issues.
- An Annual Chairman's Luncheon where members and guests of the Northern Ireland Branch can meet up in relaxed and informal surroundings.
- CIPFA Annual Conference, held each autumn, which provides top class speakers for senior managers in public sector organisations throughout Northern Ireland.
- Administrative support to the CIPFA Northern Ireland Branch, which enables the Branch to run events.
