

A room with a view - CIPFA South East Student Society Drinks Reception Thursday 19th March

Please join us for **free** drinks and snacks and this amazing view of the River Thames at CIPFA's central London offices.

This is a fabulous opportunity to meet fellow students, have your views heard & hear how the South East society can help you.

The evening will include a talk from **Lin Diaby**, a CIPFA student who rowed across the Atlantic in the Atlantic Rowing Challenge in support of the Breast Cancer Care charity.

All are welcome to attend, though expressions of interest would be appreciated to ensure there is enough wine and food!!
