

RECRUIT, DEVELOP AND RETAIN YOUR FINANCE TEAM

ARE YOU PLANNING AHEAD?

The CIPFA Professional Qualification is the best accountancy training you can provide for new trainees and existing employees simply because of its direct relevance to the modern public services environment. We know you're busy, so why not let us do some of the work for you?

SUPPORT

CIPFA's Business Development team is responsible for supporting employers like you, in meeting your training and development needs - **all at no charge**.

With your very own designated Business Development Executive, we can help:

- Set up a CIPFA training scheme tailored to your organisational needs
- Design work-plans for CIPFA students
- Prepare suitable job descriptions for new trainees
- Advertise Trainee vacancies on the CIPFA website
- Market Trainee vacancies to University students across the UK
- Arrange on-site CIPFA presentations to existing staff
- Welcome your new CIPFA Trainees at staff inductions
- Provide information on CIPFA Employer Accreditation
- Advise on Continuing Professional Development (CPD)
